

Dear Akoras,

Although it seems like yesterday when we “CUT” classes and slept at ‘PREP’, it has been 30 years since we graduated from Achimota School.

The 1975 year group and the Sixth Form class of 1977 are planning a reunion in Ghana in summer 2005. Event details and logistics shall be discussed in the cyber “COMMON ROOM” at [WWW.OAA75.ORG](http://WWW.OAA75.ORG)

It’s a time to meet old friends and finally reveal 30 year old secrets. It’s also a time to show our thanks and appreciation for all the “DOTCH” we consumed at Achimota School, by making a donation as a group to our own “Prince of Wales College.” In large measure, our proud foundations were acquired at the “Gray City of the Outlaw’s Hill.”

A donation of \$1000.00 from each of us is suggested. Of course, larger donations are encouraged. Smaller donations will also be accepted. This is the one thing for which no one needs a “CHIT.” Please respond promptly with your pledges.

For openness, honesty and transparency, the names of all donors and donations shall be posted at our website, unless a donor insists on anonymity. Also, all questions and suggestions should be posted in our common room for discussion.

As some of you may already know, other year groups have had reunions and donated monies to Motown.

Quite frankly folks, if its worth doing, then its worth doing for bragging rights as well. There may never be another opportunity for our year group to stand tall.

To facilitate efficient organization and coordination, we are compiling a list of the names, e-mail addresses, and telephone numbers for all members of our group.

Accordingly, please assist with the compilation by providing such information. Also, feel free to forward this e-mail to as many people as you can. Let’s keep steadfast, our dedication to the Alma Mater.

Best of the New Year to everyone.
